May 3, 2021

Dear Parents,

Spring is here and we are finishing our second week of the last quarter. We are determined to finish our year with a Shout of Victory! Please help us in this by encouraging your child to dig deep and be diligent through to the end of the year even though they would probably rather be enjoying the warm weather.

I have sent a copy of your child's "Honor Roll" projection home. This is a list of the work your child is required to complete for the fourth quarter. If your child did not complete the work from previous quarters, this "Honor Roll" projection may not necessarily have everything they need to complete their school year. Please take a close look at these projections. If you need help determining if your children are "on track", please contact me sooner rather than later.

We are still selling gift cards and we are in the office from 9:00 to 3:00. You can pick up cards any time between those hours. Remember, fundraising for the 2021-2022 school year started April 1. Let's get a head start on next year's funds.

Our Third Quarter Awards is on our family page. Pictures of Science, Social and Art projects, as well as some fun in Drama, will be put up there as well by the end of the week.

Please share with your family and friends the great things that are happening at LCA. We are looking forward to having our Kindergarten up and running again this fall. It is a fantastic program and we are excited at the prospect of having an ECS once again. We are, as always, accepting new grade 1-12 enrolments for the fall.

Also, we are looking to hire more staff for the fall. If you know of a teacher who loves God and is looking for part time to full time hours, please give them our information.

Thank you all for the time and energy that you put into your children's education. It is an investment that will pay rich dividends for years to come in your child's future. Keep your eye on the prize.

God bless,

Lynda Amesmann
Principal
