Dear Parents:

Wow! Our school year is essentially half over. The students have been working well and a lot of work is being accomplished.

Unfortunately, due to the number of families in our school that have been affected with Covid recently, we are cancelling our Second Quarter Awards program. Missing the first week of school in January put our stage performances behind schedule. Also, our students have not been able to practice their music and drama because of the number of students and staff that have missed school in the last month. The students' awards will be handed out during school. Thank you for your understanding and patience during this time. I understand that it has been stretching for all of us.

A copy of your child's "Honor Roll Slips" for the third quarter will be handed out next week along with their report card. Please encourage your child to complete the PACEs and Scriptures that are listed on the slip, as they are required to fulfill one quarter's work.

Just a reminder, please look at the announcements are on the News and Events page of our web site.

Please pray for the students and staff. We believe that God has greater and greater things in store for us as we progress through this school year. We know that each life that is a part of Lakeland Christian Academy is going to be changed as we press on in the things of God and our studies.

God bless you,

Lynda Amesmann
Principal
