

PARENT PROMISE OF COOPERATION

As parents, we have accepted the responsibility of training up our child in the way they should go (Proverbs 22:6). This training will be carried on in our home. We are putting our trust in Lakeland Christian Academy to aid us in our effort.

We agree with the Christian Biblical standards of speech, behaviour & conduct taught by Lakeland Christian Academy and will not tolerate profanity, obscenity in word or action, dishonor to the Godhead or the Word of God, or disrespect to any authority including school staff. We hereby agree to support regulations published in the parent/student handbook in the applicant's behalf and authorize the school to employ discipline as it deems wise and expedient for the training of our child.

We believe that all things should be done decently and in order as the Bible commands. Therefore, we pledge to have our children at school on time and dressed in school dress code as scheduled. We and our child will cooperate with all standards and policies.

We are expecting our children to conduct themselves at all times in a godly manner as stated in the Student Code of Conduct. If our child comes home complaining about a policy or discipline, we will follow this procedure:

1. Give the staff the benefit of the doubt;
2. Recognize that my child's reporting may be emotionally biased and may not include all the information;
3. Realize that the school has reasons for all rules and that they are enforced without favour;
4. Support the administration, make any judgements prayerfully, and call the involved staff member at school for all the facts; then go to the principal; then the board.

We hereby give authority to the school to discipline our child as deemed wise and expedient. This may include the issuing of demerits, detentions or suspension from school. We promise that if, for any reason, our child does not respond favourably to Lakeland Christian Academy's training program, we will work exclusively with the staff and school board for the resolution of the difficulty, and we will not try to change the school to fit their needs. If their progress continues to be unsatisfactory, we will quietly withdraw them. We also recognize that before withdrawal we may exercise our option of appeal to the Board of Lakeland Christian School Society in order to find a resolution to the problem.
