Dear Parents:

Wow! Our school year is half over. The students have been working well and a lot of work is being accomplished.

We skate one last time for gym this week. We will be in the Energy Centre on Thursdays for gym for the rest of February. Please ensure that your children have indoor running shoes to wear in the Field House. The students will take swimming lessons in March.

A copy of your child's "Honor Roll Slip" for the third quarter will be sent home this week. Please encourage your child to complete the PACEs and Scriptures that are listed on the slip, as they are required to fulfill one quarter's work.

A copy of the events for Student Regionals that are available for the students in grades 3 to 12 will be sent home in the next few weeks. Please discuss with your children what events they would like to enter and start working on these projects at home. They are working on many art, athletic, and academic things at school but some events will need to be completed at home.

Please pray for the students and staff. We believe that God has greater and greater things in store for us as we progress through this school year. We know that each life that is a part of Lakeland Christian Academy is going to be changed as we press on in the things of God and the students' academic studies.

God bless you,

Lynda Amesmann
Principal
