May 31, 2021

Dear Parents,

Spring is here and we are in the middle of our seventh week of the last quarter. Let's finish our year with a Shout of Victory! Please help us in this by encouraging your child to dig deep and be diligent through to the end of the year even though they would probably rather be enjoying the warm weather.

Just a reminder to refer to the "Honor Roll" projection that was sent home. This is a list of the work your child is required to complete for the fourth quarter. If your child did not complete the work from previous quarters, this "Honor Roll" projection may not necessarily have everything they need to complete their school year. If you have any questions or concerns about this, please contact me.

We have not scheduled any year end field trips yet. As of right now, schools are not supposed to be scheduling any field trips. We are hoping as the restrictions lift that we will be able to plan something that the students will enjoy.

Our 2021 Annual Awards will be held on Saturday, June 26. Please mark your calendars. As you may have guessed our awards ceremony will look a little different this year because of the current restrictions. More information will be sent out as we confirm the details of our celebration.

Thank you all for the time and energy that you put into your children's education. It is an investment that will pay rich dividends for years into your child's future. Keep your eye on the prize.

God bless,

Lynda Amesmann
Principal
